TAMARCOACHES

Welcome to the Tamar Coaches 2026 Brochure.

Firstly, a big thank you to all of you who supported Tamar coaches on our 2025 program of day trips.

For 2026, we will be keeping most of our popular trips and also adding some new ones to spice it up a bit.

I do read all the Feedback Forms and try to gauge which future trips will be viable.

The 3 weekend trips we put out in the end did not run due to lack of interest and yet our day trips were more successful than ever, so as a Company we would like to run the weekend trips but we do need people on them to run them.

Many of you thanked us for keeping the prices as low as we could. Inevitably, there will be some price rises in 2026.

These rises basically reflect the increase in pricing of keeping vehicles on the road in 2026.

I am more than happy to book your trips on the phone, its always lovely to talk to you all, but I would ask if nothing else please keep an eye on our website on the Day Trips Tabs for any updates and for full information on upcoming trips some of which may get added as we progress through the year.

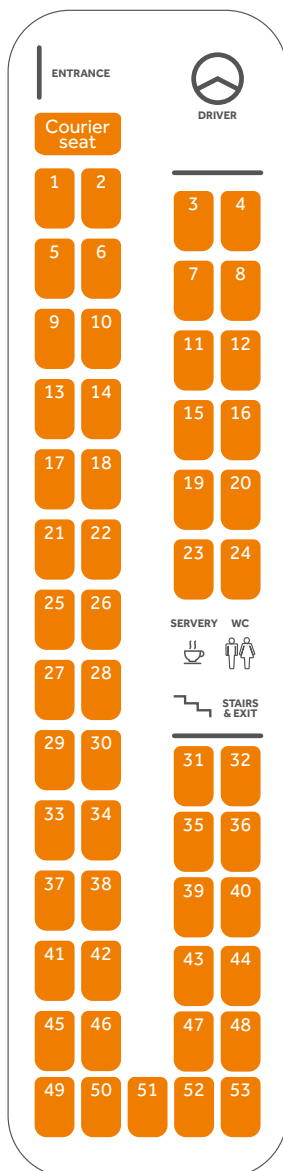

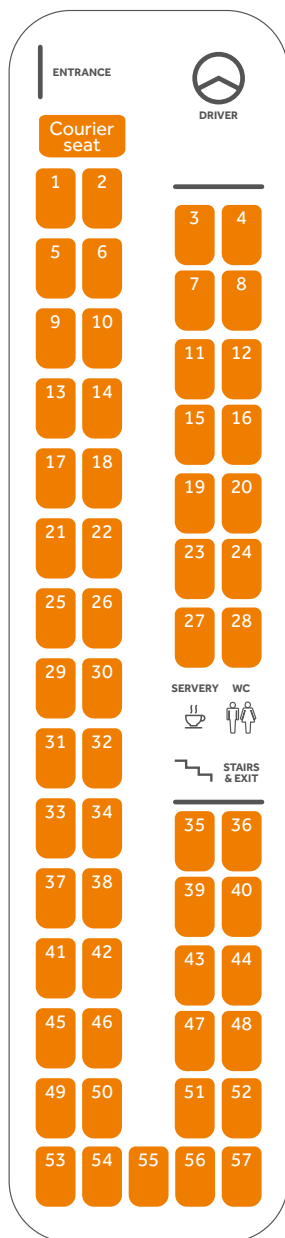

Also, I would advise if there is something you like then please book early, you would be surprised how some of our trips get booked up quick.

Once again Thank You for your support as we go into 2026 have a look through the brochure, give me a call and will see if we can get you booked up.

Many Thanks
Colin Oxenham
